teknion expansion meeting

02

The Expansion Meeting collection is all about bringing people together. From seamless collaboration to refined elegance, each piece is thoughtfully designed to enhance modern workspaces.

Our table offerings provide versatile solutions for gathering, connecting, and exchanging ideas with ease, while the Expansion Meeting Credenzas provide functional storage with a sleek aesthetic. A variety of finish options, including laminate and Flintwood, are available and can be complemented with refined touches like glass top or knife edge.
