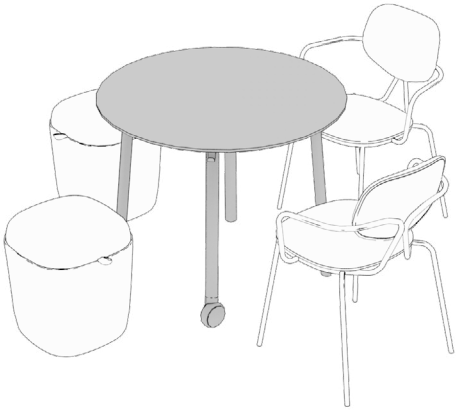
bevy mobile work leg tables

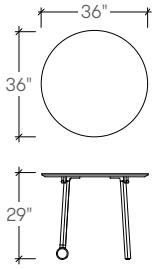
features

In the fast-paced world of agile offices, adaptability and flexibility are key. Designed by Mario Ruiz for Studio TK, Bevy Mobile tables offer a seamless solution for workplaces that need to change quickly and often. With large 4"/100mm diameter wheels to one side, they can quickly transform an area from a communal break space to a scrum area; daily stand-up “water cooler” space; or a “hot desk” for visiting co-workers. Bevy Mobile tables feature warm hardwood legs with work surfaces finished in a coordinating veneer or durable laminate. Corner bag hooks, aluminum details and wheel hubs can be finished with any of Studio TK’s Fundamental or Fashion paints to reflect organizational culture and design. Available in work and bar heights, Bevy Mobile transforms your work and hospitality environment into a warm and inviting space.



dimensions

- Meets ANSI/BIFMA X5.5



Bevy Mobile Round Work Leg Table

planning

Bevy Mobile tables provide fluid, multipurpose design for communal spaces in work and hospitality environments. Easily reconfigured, Bevy Mobile encourages accidental encounters that lead to innovation when people collide. Personalize configurations with Studio TK's finish program. Warm hardwood legs are available in a variety of finishes with the option of matching veneer or durable laminated work surfaces. Cast aluminum table components and wheel covers are available in Studio TK's Fundamental and Fashion paints for customized details that reflect your organizational culture.

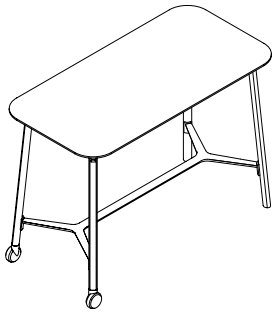
Africa Armless Chair

specification example

Bevy Mobile permits a wide range of combinations that vary dependent of the configuration specified. The following demonstrates the order that must be selected.



Steps involved in specifying Bevy Mobile Work Leg Tables	Example:
Select configuration	STETZ
Select top size	STETZW
Select height	STETZW42
Select power cut out	STETZW42N
Select top surface finish	STETZW42NW6
Select paint finish	STETZW42NW6A2
Select wood leg finish	STETZW42NW6A2BU

Note Bevy Mobile tables are not available with a power cut out in the work surface.
Painted bag hooks, caster covers, and leg connections are in the same base finish.

technical information

• edge trim • grain direction • grommets
• power accessories • power management
