Mix + Match Collection

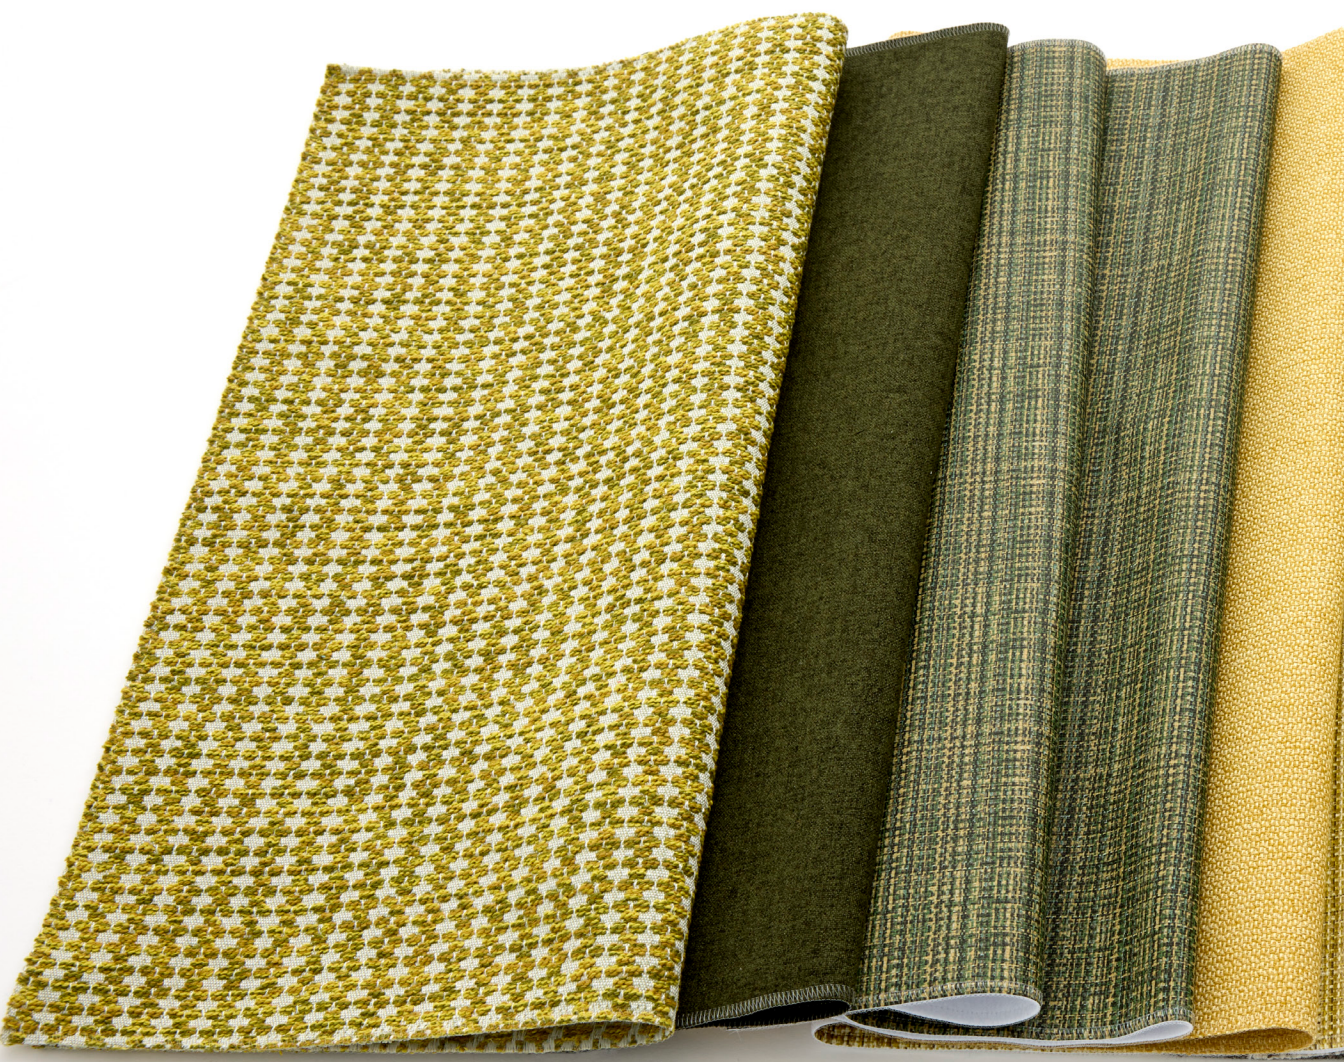

Mix + Match Collection

Mix + Match by Dorothy Cosonas is a collection of six distinct, but harmonious textiles crafted for timeless appeal and function. Striving to look beyond the familiar, Cosonas designed and developed various fundamental textile elements: a stripe, a plaid, a texture, and heathered solids for a comprehensive interior solution. Individually, each material stands elegantly on its own. Combined, the collection offers attractive and useful materials that work seamlessly together.

Through careful attention to detail, *Mix + Match* delivers fresh, forward-looking twists on patterns, thoughtful textures and dynamic color palettes, highlighting Luum's ongoing commitment to good, meaningful and sustainable design.
