

teknion expansion meeting

teknion

In both form and function, the Expansion Meeting collection facilitates vibrant exchanges, enhancing collaboration and connection in today's workspaces. The versatile and thoughtfully designed line of meeting tables and storage credenzas is suited to gathering spaces of all kinds, from formal boardrooms to conference rooms to open collaboration spaces.

Expansion Meeting is distinguished by its distinct design details and a comprehensive portfolio of configurations. These functional furniture pieces bring people together, supported by a wide variety of power, accessories, and table sizes. Distinct base styles are matched with a wide selection of top shapes. Refined touches such as knife-edge tabletops and the option of backpainted glass surfaces elevate the look. Complementary credenzas offer functional storage within a seamless aesthetic. The Expansion Meeting collection is durable, dependable, cost-conscious, and design-forward.

unparalleled presence

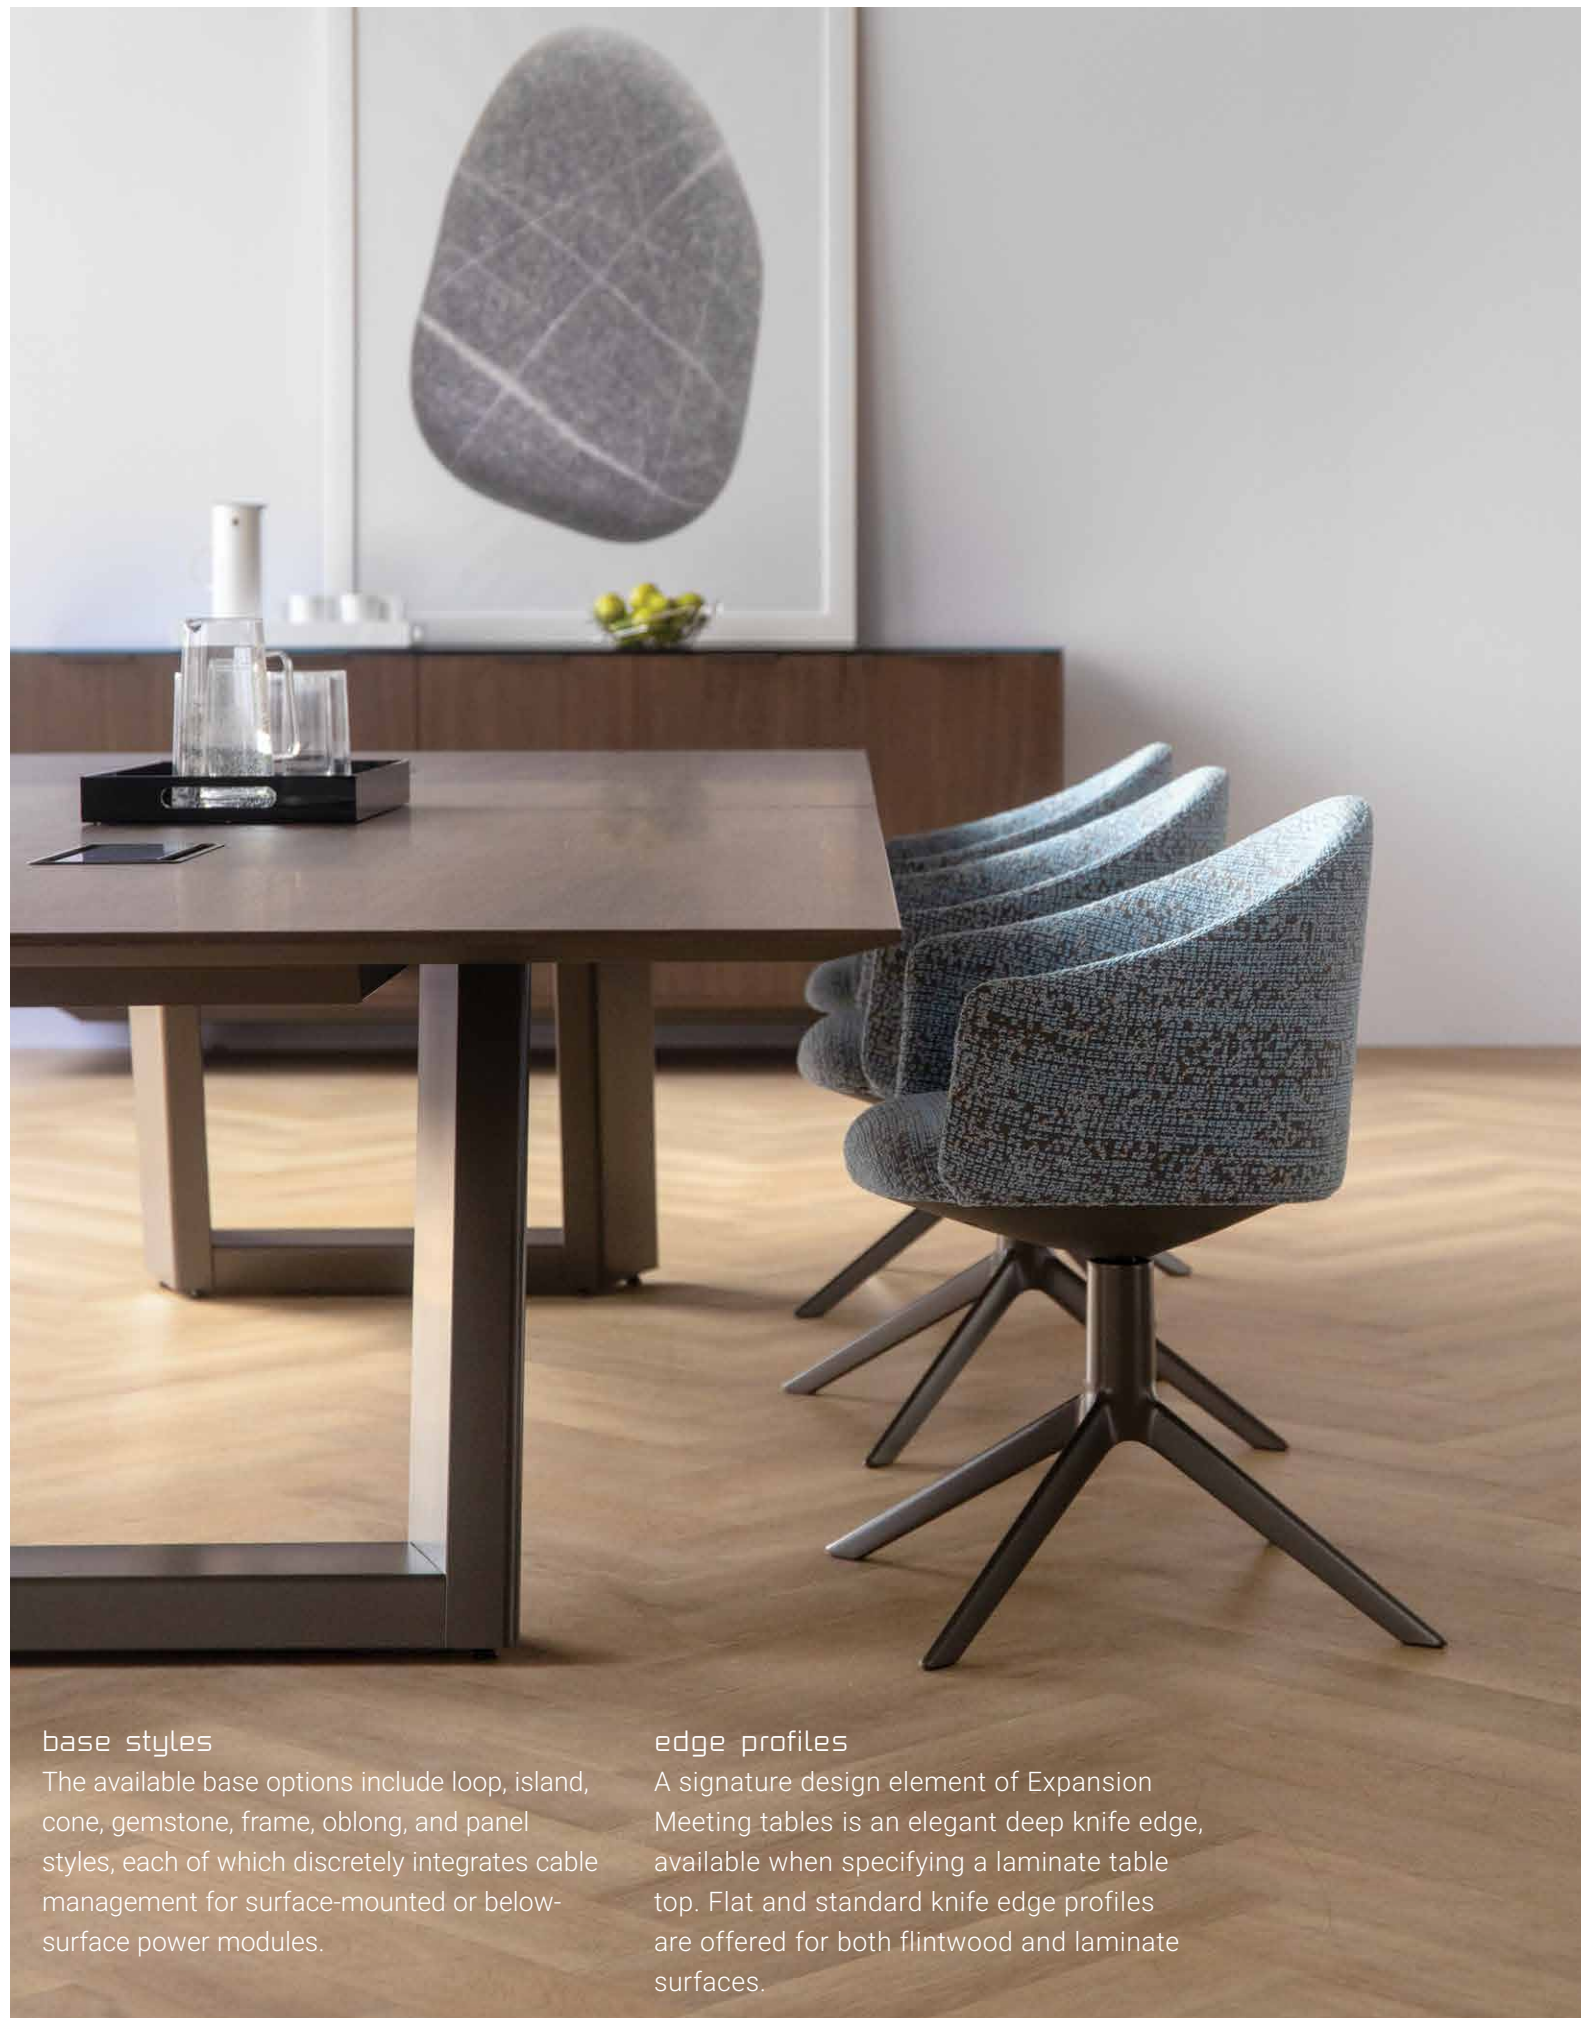

The Expansion Meeting table collection offers a diverse range of base styles, top shapes, sizes, and design details, which come together in a multitude of combinations to create a distinctive

design language. With surface dimensions spanning up to 240" in length, these tables bring an unparalleled presence to the workplace.

Mesh: Iron
Upholstery: Merus Leather – Black Truffle
Base: Foundation Paint, Ebony

base styles

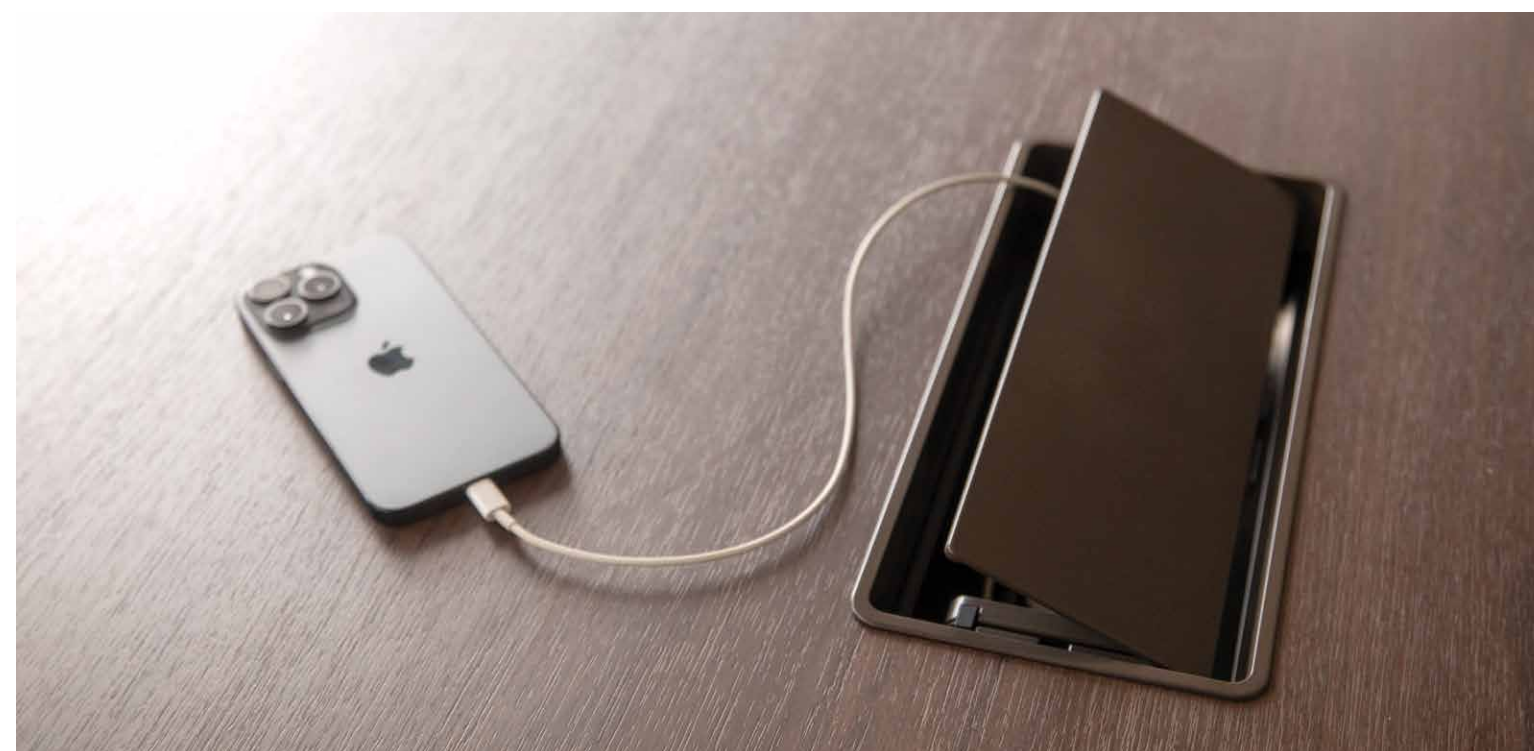

The available base options include loop, island, cone, gemstone, frame, oblong, and panel styles, each of which discretely integrates cable management for surface-mounted or below-surface power modules.

edge profiles

A signature design element of Expansion Meeting tables is an elegant deep knife edge, available when specifying a laminate table top. Flat and standard knife edge profiles are offered for both flintwood and laminate surfaces.

storage-enhanced credenzas

Expansion Meeting storage credenzas keep essentials and amenities close at hand. The design's outer case elegantly frames the doors for a modern look, and is offered in a choice of three base and leg styles, or wall-mounted configurations. Interior shelving can be enhanced

with add-on drawers and organizational accessories to suit a variety of storage needs. Options for pull-out disposal bins and fridge drawer integration—with the necessary ventilation and power access—add functionality while maintaining a seamless aesthetic.

finishes

Teknion's expansive range of finishes enhance the Expansion Meeting collection. Foundation, mica and accent paints draw the eye to the refined details of the tables' metal bases.

Flintwood and laminate surface finishes deliver beauty, durability and value. Premium backpainted glass tops, available in glossy or matte finishes, elevate the material mix.
