nuri

Nuri balances a light aesthetic with a strong feature set, elevating the standard for entry-level seating. Designed for the pace of an active workday, it offers smooth support and a clean, modern profile, reaching beyond utility to defy its accessible price point. Nuri is available in Standard, Plus, and Pro configurations to meet all levels of preference. Whether configured as a streamlined essential or a fully equipped performance chair, Nuri remains stylish, responsive, and remarkably comfortable.
