# what is banqs

Banqs is a destination for collaboration, focus work, and socialization.

As mindsets shift around what constitutes a positive work experience, Banqs has taken a holistic approach to help workplaces adapt to new patterns.

Work, and where it is being performed, has become increasingly agile. The Banqs portfolio provides the flexibility you need to meet the moment.

Whether that means connecting one-on-one offline, doing heads-down work that requires a certain level of privacy, or making the most out of in-between moments to catch up with your colleagues, Banqs' comprehensive system of screens, tables, and modular sofas transform under-utilized real estate into effective places to collaborate, socialize, and focus.

## meeting space

Banqs can be configured into well equipped, functional meeting spaces with an A/V integrated High Spanning Screen, complete with monitor mount and cable management feature in combination with power integrated tables and modular Banqs sofas.

## collaborative/socialization space

Create inviting collaborative spaces with Banqs Two-Seater and Three-Seater sofas and their wide range of screen configurations.

Sofas can be configured into linear or L-shape layouts along perimeter walls to create informal meeting spaces in under-utilized areas.

They can also be configured into X-shape or T-Shaped settings in more centralized areas to encourage spontaneous gathering and social interactions.

Banqs offers a selection of freestanding occasional tables and task height tables to help complete these multi-purpose settings.

## focus space

Provide access to touchdown spaces with Banqs' Solo Focus Sofas.

The Solo Focus is a generous One-Seater sofa that comes complete with work surface, optional power, and USB integration.

A choice of three worksurface styles offers a wide range of focus modes; from heads-down work to a private place to take a call, to a place to gather your thoughts in between meetings.

## banqs table with flat base overview

The Banqs Table with Flat Base can be used with Banqs benches and sofas or planned independently.

The flat base is ideal in booth or diner applications where less obstructed foot room helps people slide in and out of the space.

# planning with banqs tables

The following should be considered when planning with Banqs tables.

For linear planning, a minimum distance of 18" (46cm) between tables is suggested for comfortable access and egress to and from Banqs benches and sofas.

Banqs Tables with Flat Base or 4-Prong Base can be specified, however; Banqs Tables with Flat Base are suggested for improved end user comfort.

18" (46cm)  
 (2) Single-Sided Sofas, 2-Seater with  
 (2) 30" (76cm) x 30" (76cm) Banqs  
 Tables

24"  
 (2) Single-Sided Sofas, 3-Seater with  
 (2) 30" (76cm) x 48" (122cm) Banqs  
 Tables

21"  
 (1) Single-Sided Sofa,  
 2-Seater + (1) Single-Sided Sofa,  
 3-Seater with (1) 30" (76cm) x 30"  
 (76cm) Banqs Table + (1) 30" (76cm)  
 x 48" (122cm) Banqs Table

For banquette and booth applications, it is suggested that table sizes match the sofa sizes.

When planning with Full Alcove Sofas and tables consider leg room and leave sufficient space for access and egress.

## planning with banqs tables (continued)

For booth applications using High Spanning Screens, it is suggested that table sizes also match the sofa sizes.

The seating occupancy of 2-seater and 3-seater sofas should be reduced to allow for all users to clearly view the TV/monitor.

## planning with banqs tables (continued)

Banqs tables can accommodate the following power and lighting options.

No electrics (High Spanning Screen not required)

Zones Table Lamp (ZNET)

Power Module Small (ENBAJ)

Power Module Small (ENBAJ) with Digital Share & Worksurface Electrics (ENBAZ)

**Notes:**

When specifying a High Spanning Screen with Digital Share & Worksurface Electrics (ENBAZ84D), remember to specify the table with the corresponding power/lighting cut out.

Power/lighting accessories must be purchased separately.
