cover lounge product information

Designed by Claesson Koivisto Rune, the Cover lounge collection is inspired by classically tailored garments worn in a layered style. The collection plays in tune with any room, office or even home. With a high degree of upholstered comfort, Cover creates a light-scale environment perfect for quick meetings and conferencing or a private nook for individual reflection. The four-star swivel and the four-leg base can be finished in polished aluminum or embellished with color in any of Studio TK's Fundamental or Fashion powder coats.
