features

Lasai, a lounge with a calming sensibility and a crafted touch. The low profile, Hans Wegner-inspired recline is ideal for getting comfortable and catching up with colleagues. From the Basque for 'calm', the lounge's visual and tactile cues infuse a sense of balance in today's ephemeral work environment. The single and double seat configurations constructed with a wraparound solid oak structure for a welcoming lifestyle feel for your workplace. The oak frame can be finished five ways to add warmth, while the cushions and outer shell allow for a mix of upholstery finishes that can accentuate a space with a quick blast of color or subdue it with a muted palette.
