

F500 series by Artifort

features

The F500 Series, in partnership with Artifort, encourages a moment to relax or recharge during a busy workday. Designed in 1967 by Geoffrey Harcourt RDI, the F500 Series lounge was inspired after noticing his girlfriend sitting in furniture cross legged. With comfort in mind, he designed a chair wide enough for this informal position. Choose from three upholstery styles from a smooth fixed upholstery for sleek modernity to a traditional tufted for elevated formality. Add personalization with a variety of powdercoat finishes to the disk base to create your own refuge.
