features

Kuskoa is rethinking the role of form and materiality in the new workplace. From large cafes to small collaboration zones, the chair, counter and bar-height stools offer versatile elegance to pair with a range of table types. The stools provide a mid-back support for longer gatherings and a metal foot rest to encourage good posture. A range of material options and finishes provides a variety of ways to express your space. The veneer shell nestles within a solid oak base, which can be finished five ways. Material accents can complement the warmth of the wood with optional inner and outer seat upholstery.
