ability mobile screens

ability mobile screens

The Ability collection of pivoting, mobile and expandable screens are designed to integrate with Teknion's broad product portfolio to provide utility, privacy and space division through the workplace.

Available in two styles:

1. Mobile Screens
 - Can be used anywhere on a floor plan to provide translucent or functional privacy
2. Expandable Screens
 - Screens expand to enclose a workstation or meeting space

expandable screen

PRODUCT FEATURES

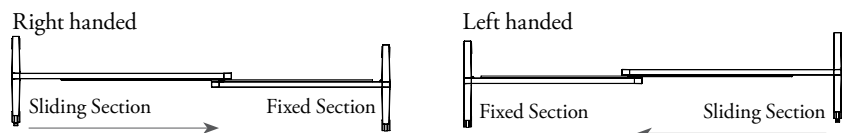

- The Expandable screen provides a mobile freestanding large scale partitions
- Is expandable to provide visual territorial privacy
- Provides a "door" solution for workstations and casual break out or lounge settings
- Heights:
 - 51 and 66"
- Widths:
 - 71" (two 36" wide sections)
- Screens are handed

PLANNING

- Expandable screens consist of a fixed section and an sliding section
- The fixed section and sliding section are both 36" wide

- Expandable screens are handed
- The handedness is determined by the direction that the sliding screen slides, when it rests on top of the fixed screen

tables & accessories

Ability Tables and their accessories are functionally and aesthetically compatible with T/O/S and Leverage systems.

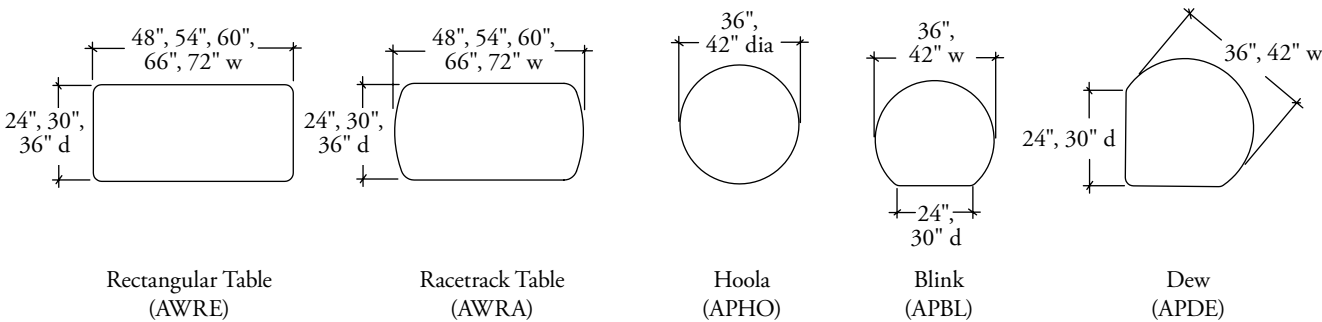

TABLES & ACCESSORIES

TABLES PRODUCT FEATURES

- Surfaces are 1" thick and are available in a selection of Flintwood stains and Foundation and colors with four edge trim styles, Bullnose, Flat, Flintwood Bullnose and Flintwood Flat
- Can be ordered with casters, levelers, or lockable casters (two back casters will be lockable if lockable casters are specified). Casters and levelers are Black
- All dimensions and dimension codes are nominal

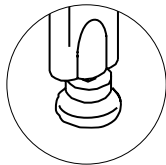

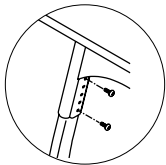

TABLE SURFACE SHAPE OPTIONS

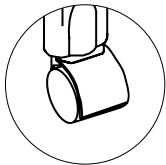

tables & accessories

LEG SUPPORTS

- Height can be adjusted, (in 1" increments) by simply adjusting the screw positions on each leg
- Height adjustment range of 26" – 32" with levelers
- Height adjustment range of 27" – 33" with casters

Levelers
1" leveling range

Casters
Adds approximately
1" height to table

Bullnose (2) All Edges		n/a
Flintwood Flat (9) All Edges		
Flintwood Bullnose (3) All Edges		

tables & accessories

TABLE TRAY PRODUCT FEATURES

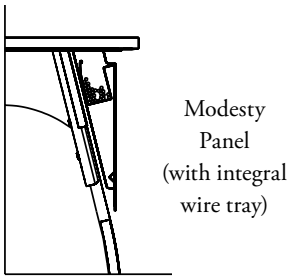

- Attaches to the underside of a table and is intended for routing wires externally from a panel environment to the table or from table to table
- Not intended for the routing of extension cords
- Can be used only on straight edges
- Not visible above the worksurface
- Can be ordered as part of the Rectangular Table (AWRE) and Racetrack Table (AWRA) or separately
- Cannot be used on the Bean Table
- Tray widths differ depending on the size and shape of the table to which is it being applied
- Finished in Black

The following chart identifies the proper fit between Ability Work Tables and Ability Table Trays.

		Table Tray Width					
Work Tables	Table Depths	42" Wide Table	48" Wide Table	54" Wide Table	60" Wide Table	66" Wide Table	72" Wide Table
